Consent to Obtain External Prescription History Consent From

By authorizing Hyndman Area Health Center Inc., and its affiliated providers, you allow us to view your external prescription history via our electronic medical records system (eClinical Works). This will allow your provider to have information regarding medications you're taking in order to minimize adverse drug reactions.

By accepting this consent you understand that prescription history from multiple unaffiliated medical providers, insurance companies, and pharmacies may be viewed by my provider and authorized staff, and it may include prescriptions back in time for several years.

This consent will remain in effect until the day you revoke your consent. You may revoke this consent at any time in writing but if you do, it will not have an effect on your treatment.

By signing this consent form you are agreeing that Hyndman Area Health Center Inc., and its affiliated providers can request and use your prescription medication history from other healthcare providers, insurance companies, and pharmacies.

My signature certifies that I read and understand the scope of my consent and that I authorize access.
